

PAPER FOOTBALL POSTER WORKSHOP

A hand is shown from the top, holding a white paper football. The paper football is a cone shape with horizontal lines, and it has a small piece of tape or glue at the base. The background is black, and there are some faint, blurry shapes that look like other paper footballs or hands in the background.

MONDAY JAN. 21 — WEDNESDAY JAN. 23
MEMBERS OF THE DESIGN OFFICE

PLAYBOOK

1. Take an 8x10.5" poster from the green table. Or start your own, using either the game ball template online or a blank sheet.
2. Make a "visual play" on it
You may make a play either with a marking tool (pen, etc.), by printing your image/design onto using manual feed, or by photocopying onto an existing poster.
3. Return your poster to the green table.
4. Thursday morning, all flyers will be scanned to pdf and the physical posters placed around town.
5. Come before the game at 5pm on Sunday, Jan. 27 for final preparations.
